The space assignment is for the exclusive use of Exhibitor and its products and services.

4. RESTRICTIONS

A. RVDA reserves the right to restrict or require modification of any display or demonstration at Exhibitor's expense, which, because of noise or for any reason, become objectionable or not in keeping with the character of the Event. In the event of such restrictions or evictions, RVDA shall not be liable for refunds of any kind. Exhibitor shall be bound by the decision of RVDA in all matters related to the Event.

These instructions and procedures will be distributed as part of the Exhibitor packet.

VIRTUAL PLATFORM RULES AND REGULATIONS

1. PURPOSE OF THE VIRTUAL EVENT PLATFORM

2026 RVDA Virtual Event is an educational Convention and expo providing relevant content to the RV Industry. The virtual expo portion of the virtual platform is a vital element of this Convention and serves to connect attendees and industry participants through a digital interface both during and well after the Convention ends. The purpose of the event is educational in nature. Any sessions or demonstrations lead by the exhibitor should be focused on education and should not be sales pitches. It is permissible to post product pricing and order information as part of resources that reside on organization profiles, but order taking, or pricing information cannot be shared as part of demonstrations or in any content delivery provided by the exhibitor. RVDA has the right to withhold approval of the exhibition of products and services, which in its judgment do not further the education, scientific, or practice needs of our members and attendees.

2. GENERAL TERMS

The 2026 RVDA Virtual Event, expo engagement platform, and supporting advertising/marketing opportunities, in some cases, requires the submission of photos, videos and other graphic assets by the exhibitor to Exhibit Management for reproduction throughout the virtual Convention experience. Specific guidelines for any and all items will be provided to each participating exhibitor depending upon the type of engagement purchased. Any deviations from these specifications may compromise the quality of the reproduction and may result in increased costs. The Convention and Exhibit Management are not responsible for the quality of reproduction when specifications are not adhered to and reserve the right to alter materials received without approval that are at variance with submission guidelines. All submissions will be reviewed by Exhibit Management and RVDA prior to digital publication. The RVDA Virtual Event and all supplemental purchased digital advertisements will be available in an archive format through January 31, 2027.

The RVDA and 2026 RV Dealers Virtual Event name, logo and acronym are proprietary and may not be used in signs, advertising, promotions or on any product literature either inside or outside the exhibit hall. This rule applies before, during and after the 2026 RVDA Virtual Event unless prior authorization has been received from the RVDA. Exhibitor grants to RVDA a non-exclusive, nontransferable, revocable license to use the name, logo, and acronym of the exhibitor solely in connection with the 2026 RVDA Virtual Event. All uses of the name, logo, and acronym of the exhibitor shall be determined by RVDA in its sole discretion.

3. CODE OF CONDUCT

Exhibitor and its representatives agree to abide by the RVDA code of conduct and policies. In addition to the above, exhibitor and its representatives shall not solicit trade outside of sanctioned expo locations within the virtual event. Exhibit Management, in its sole and absolute discretion, may withdraw its consent at any time, in which event exhibitor shall terminate such activity immediately. All promotional plans must be submitted to Exhibit Management for approval. Distribution of any promotional material must be confined to the virtual booth space. Exhibitor shall refrain from any action that will distract attendees from attendance at the virtual convention during open hours.

As a 2026 RVDA Virtual Convention attendee, you agree to adhere to RVDA's zero-tolerance for any form of discrimination, harassment, or other unacceptable behavior including but not limited to: verbal abuse; disruption of presentations during sessions; posting promotional materials when not registered as an authorized exhibitor; or any other unacceptable behavior. In response to any incident of unacceptable behavior, RVDA reserves the right to take any action deemed necessary, including immediate removal from the event without warning or refund and to prohibit attendance at any future event. We thank you for respecting your colleagues and our attendees and presenters.

4. DRESS CODE

The dress code at 2026 RVDA Virtual Event is business casual. All exhibitors and their representatives are required to adhere to this dress code during live video chat; RVDA reserves the right to remove virtual access to any exhibitor who does not comply with this dress code.

5. EVENT CANCELLATION

If RVDA or Exhibit Management determines that due to any occurrence, force majeure, acts of God, war, or any other cause beyond their control renders the fulfillment of this Agreement inadvisable, commercially impracticable, illegal, or impossible by Exhibit Management or RVDA, the parties shall mutually agree to amend, or RVDA may terminate the agreement. In such circumstances, RVDA and Exhibit Management may cancel the virtual expo and RVDA's and Exhibit Management's sole responsibility to exhibitor shall be a full refund of all fees paid by exhibitor. No monies will be returned unless RVDA is unable to deliver the virtual event because of technology failings under the control of RVDA.

6. EXHIBITOR CANCELLATION

Cancellation of any portion of this Application/Contract by the exhibitor must be sent in writing and will be accepted only at the discretion of Exhibit Management. All virtual participation fees are non-refundable. Except as the exhibitor's participation fees may be reduced as set forth in the preceding sentence, the exhibitor is responsible for total fees regardless of the reason for the cancellation by the exhibitor including the failure to provide information to Exhibit Management for the fulfillment of the exhibitor's virtual package and/or special additional purchases.

7. TECHNOLOGY USE

The extent of an exhibitor's or attendee's use of technology during the event is not guaranteed. Efforts will be made to communicate with exhibitors and attendees regarding camera use in devices and computers, mobile app capabilities in iOS and Android, audio settings and headset use, and stylus use in the virtual event platform. In no event shall RVDA be held liable for participants' interruptions to Internet access, power access, video camera access, or audio capabilities, nor of any similar interruptions to that same in the virtual event platform for the duration of the posted virtual event platform website.

8. PHOTOGRAPHS; RECORDING

No photographs, audio, video, or digital recording of any type shall be taken without the prior consent of Exhibit Management and/or the exhibitors involved. The exhibitor acknowledges and agrees that the RVDA, its employees and contractors may take photographs/videos which could include images of the exhibitor, its representatives and its exhibits while attending the Exhibition. The exhibitor hereby consents to and grants to the RVDA and its affiliates, the unrestricted, perpetual, worldwide, royalty-free and transferable right and license to use (and grant others the right to use) the images worldwide without any compensation. The exhibitor acknowledges that RVDA is the sole and exclusive owner of all rights in the images and hereby waives (a) any and all rights in and to such images, and (b) any and all claims the exhibitor and its representatives may have relating to or arising from the images or their use. In no cases can exhibitors use any images of attendees participating in demonstrations or meetings for any commercial purposes.

Exhibitor agrees to indemnify and defend the RVDA parties from any claims brought by a third party hired by or engaged by the exhibitor for any amount beyond the exhibit fee. Further, exhibitor agrees to pay all attorney's fees and costs incurred by the RVDA parties arising out of or in any way related to this application and exhibit. Exhibitor shall be solely responsible for its attorney's fees and costs.

13. AGREEMENT OF RULES AND REGULATIONS

Exhibitor agrees to observe and abide by the foregoing Rules and Regulations and by such additional Rules and Regulations made by Exhibit Management from time to time for the efficient or safe operation of the Exhibit, including, but not limited to, those contained in this Contract. In addition to Exhibit Management's right to close/remove an exhibitor's virtual package presence and withdraw its acceptance of this Application/Contract, Exhibit Management in its sole judgment may refuse to consider for participation in future Exhibits an exhibitor who violates or fails to abide by all such Rules and Regulations. There is no other agreement or warranty between the exhibitor and Exhibit Management except as set forth in this Application/Contract. The rights of Exhibit Management and the exhibitor under this Application/Contract shall not be deemed waived except as specifically stated in writing and signed by an authorized representative of the respective parties.

14. DEFAULT OCCUPANCY

Any Exhibitor (persons or company occupying booth space) failing to occupy virtual exhibitor space contracted for in a timely manner is not relieved of the obligation of paying the full rental price for such space. RVDA has the right to use such space as it sees fit and to eliminate blank space in the exhibit, if such virtual booth space is not occupied by the Exhibitor prior to the start of the Exposition and to collect and retain any additional sums for that space from a new Exhibitor.

15. NUMBER OF COMPANIES OCCUPYING BOOTH / SUBLETTING OF SPACE
